Re: BZA Application No. 18551

Dear Mr. Jordan,

I am writing to modify our application for an extension of the special exception granted to 5608 Broad Branch Road, NW. On page 5 Paragraph C of our Statement of the Applicant, we asked for relief from the parking requirement. At this time, we would like to **withdraw our request for relief from the parking requirement under Section 205.4**. To clarify our position, the property at 5608 Broad Branch Road NW has at least **four on site stacked parking spaces**. These spaces are more than enough to satisfy the parking requirement for our proposed staff of 12 teachers.

Thank you for your attention. I can be reached at 202 422 1086.

Thank you,

Joseph B. Henry
