Mr. Nero,

My immediate neighbor, Jay Maroney, at 14 5th Street, NE has kindly shared his design plans labled "Schematic Design" for improvements to his property. As I understand the design includes a 2 story addition to the rear of his property. I believe the design as shown will have a minimal adverse impact on the light, air access and views to my property.

The improvements proposed will have a positive impact on the community. I offer my support to the project and hope the Board of Municipal and Zoning Appeals approves the project as designed.

Thank you for your consideration and please feel free to contact me with any questions.

Sincerely,

Tom Robertson, Owner 16 5th Street NE
