Mr. Nero,

Our immediate neighbor across our alley, Jay Maroney, at 14 5th Street, NE has kindly shared his design plans for improvements to his property dated 3/23/2013 as submitted to BZA for approval. As we understand the design includes a 2 story addition to the rear of his property. We believe the design as shown will have a minimal adverse impact on the light, air access and views to our property.

The improvements proposed will have a positive impact on the community. We offer our support to the project and hope the Board of Municipal and Zoning Appeals approves the project as designed.

Thank you for your consideration and please feel free to contact us with any questions.

Sincerely,

Ryan Masser, Owner, 15 E Street, NE
