d. Policy, Planning, and Sustainability Administration

RECEIVED
D.C. OFFICE OF ZONING
2013 MAY 13 AM 8:33

MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Samuel Zimbabwe *[Signature]*
District Department of Transportation (DDOT)

DATE: May 9, 2013

SUBJECT: BZA Case 18587, 5714 16th Street, N.W. (Square 2723W, Lot 15)

APPLICATION

Pursuant to 11 DCMR § 3104.1, for a special exception under section 223, to allow a rear addition to an existing one-family detached dwelling not meeting the lot occupancy (section 403), side yard (section 405) and nonconforming structure (subsection 2001.3) requirements in the SSH/R-1-B District at premises 5714 16th Street, N.W. (Square 2723W, Lot 15).

RECOMENDATION

DDOT has reviewed the Applicant's request and determined that, based on the information provided; this proposed project will have no adverse impacts on the travel conditions of the District's transportation network. While an approved project may lead to more vehicular, transit, pedestrian, and bicycle trips, DDOT does not foresee impact to the transportation network. Thus, DDOT has no objection to approval of the requested special exception.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to the zoning special exception should not be viewed as approval of public space elements. If any portion of the project has elements in the public space, the Applicant may be required to pursue a public space permit through DDOT's permitting process. Guidance on the treatment of public space can be found in DDOT's Public Realm Manual.
