SUMMARY ORDER

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board of Zoning Adjustment ("Board") provided proper and timely notice of the public hearing on this application by publication in the *D.C. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP report filed in this case, the Board concludes that in seeking a variance from § 320.3, the applicant has met the burden of proving under 11 DCMR § 3103.2, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in
