RE: Request to Postpone Hearing Scheduled for July 30, 2013 via Email

Dear Mr. Nero:

The Trustees of Trinity AME Zion Church have instructed me to request a postponement of the hearing to review BZA Application No. 18599, a request for the extension of community parking on Church owned lots on Meridian Street, NW. The Church wants time to negotiate the details of its application with the local ANC (ANC 1A) as well as to obtain prices for upgrading the lot. Please see the attached correspondence to ANC 1A as well as the edited version of the proposed "Settlement Agreement" between the Church and ANC 1A.

Please contact me to let me know if there are any additional steps needed to officially arrange postponement. When a new date is selected please contact me about that as well. It is important to the Church to maintain amicable relationships with the community so taking the time to hash out an agreement will hopefully lead to a less contentious process. Thank you for your understanding.

Sincerely,

Othello Mahone
