Re: **BZA Application of Nancy Younan and Brandon Webster**
2112 R St NW

Dear Board of Zoning Adjustment,

I am a neighbor of 2112 R Street in Northwest. Nancy Younan and Brandon Webster are seeking an area and rear yard variance to the District of Columbia zoning laws to construct an addition and deck on the rear of their house. As they are also removing a brick structure, the rear yard and the lot occupancy will not change significantly.

The proposed rear yard will be approximately ten feet and the lot occupancy will be approximately 81%.

They have shared the drawings of the proposed work that was submitted with the application to the BZA. I have reviewed this material and I support the proposal. I recommend that BZA grant the request for a special exception.

Sincerely,

Victor Gachan
