Re. case 18605, 1785 Massachusetts Ave., NW

Dear Chairman Jordan:

The Dupont Circle Conservancy supports the determination by the DC Historic Preservation Review Board regarding the renovations and adaptations for the property at 1785 Massachusetts Ave., NW. (most recently the National Trust for Historic Preservation building). We support the requested modifications to the mechanical spaces on the roof of the building, changes to the P St. entrance for the freight area at the rear of the building, modification to the current ADA entrance ramp along 18th St., and the adaptations necessary to create an ADA compliant entrance on the P St. side of the building. We request that every effort be made to preserve and protect the mature oak tree at the corner of 18th and P St.

Thank you.

Sincerely yours,

Thomas Bower
President
Dupont Circle Conservancy
