Mr. Lloyd Jordan, Chairperson
Board of Zoning Adjustment
Office of Zoning
441 4th Street, NW, Suite 200
Washington, DC. 20001

Dear Mr. Jordan,

I write in support of The Family Place's renewal to receive a zoning variance to continue their good work at 3309 16th Street, NW in Ward One.

The Family Place (TFP) has served as a support center for over thirty years to low-income families with young children in the District. Through its center based programs of literacy, wellness, and stability, as well as their HIPPI home visiting program, TFP has provided parents and their children with opportunities to achieve success in life.

The Family Place is committed to the goals of strengthening families, promoting self-sufficiency and completing its mission of empowering low-income families to foster the optimal development of their young children through educational and support services.

I am pleased to support The Family Place as it endeavors to provide needed services to the Adams Morgan, Columbia Heights, U Street, and Mount Pleasant communities. I urge a positive review to grant the renewal of the requested variance to such a worthwhile and committed non-profit organization that is very much needed in the community.

Bests, 

JG/wr
