Re. Letter in Support of Application for 5502 13th Street NW

Dear Members of the Board.

I am writing to express my support for the application for zoning relief at 5502 13th Street NW submitted by applicant William Lindsay to allow a private garage at the rear of an existing single-family home. I urge the Board to approve the application as proposed.

The plans for the applicant's proposed project have been explained to me. The proposed project will not have a substantially adverse effect on the use or enjoyment of our nearby home. Nor will it affect our light, air, or privacy. The project is comparable to other projects in our immediate vicinity, and will not visually intrude upon the character, scale, or pattern of the houses in our neighborhood.

Thank you for the opportunity to provide feedback.
