Re: **BZA Application of David and Samantha Ross**
1731 Kilbourne Place NW

Dear Board of Zoning Adjustment:

I am one of the adjacent property owners at 1733 Kilbourne Place NW. The neighboring property owners, David and Samantha Ross, are seeking zoning relief from the District of Columbia zoning laws to expand their existing rear porch. They have shared the drawings of the proposed work.

I have reviewed the drawings provided and support the proposed porch. I recommend that BZA grant the request for a special exception. If you have any questions for me, please feel free to call me at 703-228-4354.

Sincerely,

Owner

1733 Kilbourne Place NW
