The site plan shows the 806 building complex, which includes three buildings: a 3-story brick building (180), a 1-story frame building (196), and a 2-story brick building (237). The buildings are situated on a lot bounded by North 90.0, South 90.0, East 106.0, and West 106.0. The 180 building has a south face on line and a porch. The 196 building has a wood ramp and a porch. The 237 building has a brick walk and a porch. The site also includes a macadam parking area, a shed, and a fire escape. The plan is oriented with North at the top, indicated by a compass rose. Dimensions are provided for various parts of the buildings and the lot. The plan is dated 1923 and 1925.
