APPLICATION

Pursuant to Title 11 DCMR §§3104.1 the Applicant seeks a special exception to allow an addition to an existing one-family row dwelling under §223 not meeting the lot occupancy (§403) and court (§406) requirements; and a special exception from the roof structure provisions (§§411.11) in the R-4 District at premises 1315 T Street, N.W. (Square 237, Lot 8)

ACTION

DDOT has reviewed the Applicant's request and determined, based on the information provided, the proposal will have no adverse impacts on the travel conditions of the District's transportation network. DDOT has no objection to the approval of the requested special exceptions.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. If any portion of the project has elements in the public space, the Applicant may be required to pursue a public space permit through DDOT's permitting process. Guidance on the treatment of public space can be found in DDOT's Public Realm Manual.
