To Gregg Busch,

This is a letter of interest between Zipcar and the future property at 1456 Church St. Following delivery of the development and spaces, Zipcar is willing to place cars on site at the 2 spaces being offered. We currently have 4 spaces at 1515 15th St. at the Colonial Parking garage and are excited to expand in that area. By partnering with Gregg Busch and Rosebusch LLC., we believe we will be providing a service to the citizens of the Logan Circle Area, as well as maintaining our commitment to responsible urban living.

Sincerely,

A handwritten signature in black ink, appearing to read 'Juliana Geller', written in a cursive style.
