RE: **BZA Application of Barry Jackson**
761 10th Street SE

Dear Board of Zoning Adjustment,

As a member of the community on Capitol Hill, and as a Capitol Hill property owner, I support Mr. Jackson's request for a special exception for a proposed addition to his home. Mr. Jackson is seeking a special exception of the District of Columbia zoning laws to build a rear 2-story addition and a 2 -story garage addition. He has shared the drawings of the proposed additions that will be submitted with his application to the BZA.

I have reviewed the drawings and support the proposed additions. I strongly recommend that BZA grant Mr. Jackson's request for a special exception.

Sincerely,

Carol Howell, owner
314 Second St SE
