Re **BZA Application of Barry Jackson**
761 10th Street SE

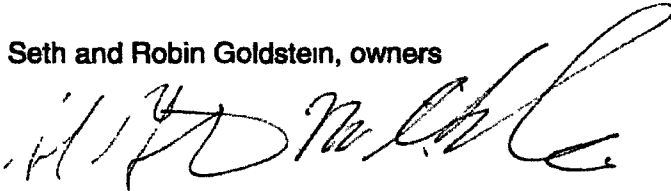

Dear Board of Zoning Adjustment.

We are the adjacent property owners at 763 10th Street SE. Our neighbor, Barry Jackson, of 761 10th Street SE is seeking a special exception of the District of Columbia zoning laws to build a rear 2-story addition and a two story garage addition. He has shared the drawings of the proposed addition that will be submitted with his application to the BZA.

We have reviewed the materials and support the proposed addition. While we do have some concerns, they do not pertain to the particulars of the proposed construction, but rather stem from the issues any neighbor might have concerning nearby construction (e.g. early morning/weekend noise). While we recommend that BZA grant the request for a special exception, the board should ensure that any concerns our neighbors might have with the particulars of the planned work are satisfactorily addressed.

Sincerely,

Seth and Robin Goldstein, owners

RE: **BZA Application of Barry Jackson**
761 10th Street SE

Dear Board of Zoning Adjustment,

As a member of the community on Capitol Hill, and as a Capitol Hill property owner, I support Mr. Jackson's request for a special exception for a proposed addition to his home. Mr. Jackson is seeking a special exception of the District of Columbia zoning laws to build a rear 2-story addition and a 2 -story garage addition. He has shared the drawings of the proposed additions that will be submitted with his application to the BZA.

I have reviewed the drawings and support the proposed additions. I strongly recommend that BZA grant Mr. Jackson's request for a special exception.

Sincerely,
