APPLICATION

Pursuant to Title 11 DCMR §§3104.1 the Applicant seeks a special exception under §223 to construct an addition to an existing one-family row dwelling not meeting the lot occupancy requirements (§§403.2 and §§2001.3) in the R-3 District at premises 3128 P Street, N.W. (Square 1256, Lot 861)

ACTION

DDOT has reviewed the Applicant's request and determined, based on the information provided, the proposal will have no adverse impacts on the travel conditions of the District's transportation network. DDOT has no objection to the approval of the requested special exception.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. If any portion of the project has elements in the public space, the Applicant may be required to pursue a public space permit through DDOT's permitting process. Guidance on the treatment of public space can be found in DDOT's Public Realm Manual.
