Re: 3053 Q Street, NW, BZA No. 18646

Dear Chairperson Jordan and Members of the Board:

Advisory Neighborhood Commission 2E, at a public meeting held on September 30, 2013, duly noticed, and at which six commissioners were present constituting a quorum, unanimously adopted the following resolution

ANC2E has no objection to the applicant's request for area variance relief to allow renovation of a single-family residence at 3053 Q Street, NW. The proposed rear addition at the fourth floor and new window openings on the side walls present acceptable changes to the residence with no substantial negative impact to neighboring properties.

ANC 2E Commissioners Solomon, Lewis, Jones, Starrrels, Birch, and Prindiville or any one or more of them, are authorized to act for ANC 2E in this matter and any matters which may come before the Board relating thereto.

We trust that you will give this resolution its full weight. I thank you for your attention to this matter.

Sincerely,

Ron Lewis
Chair, ANC 2E
