Re. Case # 18660 - 1628-1632 11th Street, N.W. (Square 309, Lot 51)

Dear Members of the Board:

I write this letter to support the above-referenced BZA application. I reside in the residential building to the immediate south of the project. I have spoken with the applicant's representative regarding their proposed renovation and conversion of the existing building into residential use, and I have also reviewed the proposed plans. Based upon my review of the plans, I support the application and proposed plans and think the project will be a valuable asset to our community. I therefore respectfully request that you approve the project as designed.

Sincerely,

1618 11th NW #303
