Re: Case No. 18663: Application for Special Exception and Variance Relief for The
Lab School of Washington

Dear Chairperson Jordan and Members of the Board:

The Lab School of Washington ("Lab") hereby requests a continuance of the public hearing scheduled for November 19, 2013, for the above-referenced application. This application involves the construction of a new high school building and a third story addition to the existing arts building. Lab asks that the application be scheduled for a public hearing on January 14, 2014; this will afford the community additional time to review the application and to continue its dialogue with Lab.

Please feel free to contact the undersigned if you have any questions regarding the requested postponement.

Sincerely,

Allison C. Prince
