RE: BZA 18669 for 4824 MacArthur Blvd, NW

Dear Mr. Jordan,

At its properly-noticed public meeting on November 6, 2013, held at the American University, School of International Service, Founders Room, Washington, DC 20016, with a quorum present at all times, **Advisory Neighborhood Commission (ANC) 3D voted 10-0-0 to request a comment extension until Friday, December 6, 2013 for this application.** The hearing date for this application is December 10, 2013.

This request is based on controversy in the neighborhood and that ANC3D requests more information from the applicant about this application in order to expedite resolution on issues surrounding the application.

The applicants and their representatives agreed to appear at the ANC3D December 4, 2013 meeting to provide information about their proposed dog kennel sound-proofing plan and to answer other questions from the community.

Accordingly, ANC3D requests that the BZA extend its comment extension date until Friday, December 6, 2013, and that its request be afforded "Great Weight" in the consideration of this application. D.C. Code 1 309.10(d)(3)(A).

Sincerely,

Penny Pagano
Chair, ANC3D
