RE BZA Case 18676

Dear Mr Jordan, Ms Allen, Mr Hinkle, and other members of the Board of Zoning Adjustment,

I hope this note finds you all well

I know that you are very busy, juggling many responsibilities, and your service on the board is greatly appreciated

Along with the other affected neighbors, who were granted party status for BZA Case 18676, I was scheduled to testify before you yesterday And, I am writing to you today, per instructions by Mr Nero, as I have just learned that yesterday's scheduled hearing, cancelled due to the closing of DC Government for weather conditions, has been reassigned for next week, on Wednesday, December 18th, 2013 Because this date and short notice pose work and travel conflicts for the party status group, Mr. Nero instructed me to write to you to see if there might be a chance for an alternate date, so that we are able to attend the hearing

The nearby property owners, with party status, have worked together to research and distill our concerns regarding the impact of this application on safety, the environment, and economic recovery We have been proactive in reaching out to and meeting with the applicant toward an amicable resolution I would appreciate being able to continue my participation in the BZA process by attending the hearing

Would it be possible to include this case on the schedule for December 17th, 2013, so that we could all be present? Or, if December 17th is not an option, would there be a date in early January to convene the hearing?

Thank you for your time and consideration

Truly,

Phyllis Klein
