Dear Mr Nero

Re Application 18679

As you know, the Board, at its hearing on our application October 8, 2013, deferred final action until February 11, subject only to hearing from Historic Preservation

We have been in contact with HP Tim Dennee of HP staff said that in light of HP's approval of our prior application for a covered sunroom in the same location as the presently proposed deck, HP Board action would not be required Mr Dennee subsequently informed us that he has contacted the BZA staff member handling our case and informed him that HP has no objection to the deck based on the drawings seen previously and the HP Board's earlier review of an addition, and that the BZA staff member can feel free to say as much if it comes up at BZA

We look forward to a final BZA decision Tuesday

Thank you
Janet Staihar Barnes
