**Re: Letter in Support of BZA Application No. 18688 – 1348-1356 Florida Avenue NE**

Dear Chairman Jordan and Members of the Board:

I am writing to express my support for the application for zoning relief at 1348-1356 Florida Avenue NE submitted by Lock 7 Development, LLC (the “Applicant”) to allow construction of a mixed-use residential building with ground floor retail. I urge the Board to approve the application as proposed.

The plans for the Applicant's project have been explained to me. The project will not have a substantially adverse effect on the use or enjoyment of our nearby home. Nor will it affect our light, air, or privacy. The project is comparable to other projects in our immediate vicinity, and will not visually intrude upon the character, scale, or pattern of the houses in our neighborhood.

Thank you for the opportunity to provide feedback.

Sincerely,
