

7 October 2013

To the Office of the Zoning Commission of the District of Columbia:

I support the application of my neighbor, Mike Lewis, for a special exception for a single basement apartment at 4434 Tindall Street, N.W., his home address, under the District of Columbia's zoning regulations.

I have lived at 4430 Tindall Street, NW, which directly adjoins Mr. Lewis's property, since before he occupied the property in 1999. He began to rent his apartment to American University students several years ago. We have had no problem with any of his tenants, and the rental unit had no negative impact on our neighborhood.

I support Mr. Lewis's application for a special exception.

A handwritten signature in black ink, appearing to read "Eric Rojo", enclosed within a large, loopy, oval-shaped scribble.

Sincerely,

Col. Eric Rojo USA (Ret)
