To the Office of the Zoning Commission of the District of Columbia:

I am writing this letter in support of the application of my neighbor, Mike Lewis, for a special exception under 11 DCMR § 3104 of the zoning regulations, for the maintenance of a single basement apartment at his home address, 4434 Tindall Street, N.W.

My family and I have lived at 4438 Tindall Street, NW, directly adjoining Mr. Lewis's property, for many years. From the time that Mr. Lewis began to rent his apartment to students and grad students at American University several years ago, none of his tenants has caused any disturbance or created any problem for us or, to my knowledge, for any of our other neighbors. Nor has Mr. Lewis's rental unit had any visible or negative impact on the appearance or character of our neighborhood.

I fully endorse his application for a special exception. If you need further clarification/information please feel free to contact me. Kind regards, Analia Calcopietro
