Subject: Application #18689

I am in full support of Hong Deng's application for a variance from the off-street parking requirements under subsection 2101.1 to allow the construction of a new flat (two-family dwelling) in the R-4 District at premises 1620 A St. S E (Square 1085, Lot 801).

I believe that the minimal change in parking would be more than offset by the development's positive effect on our block

Thank you for your consideration

Sincerely,

Margaret C. Butler
