Re: BZA Application of Joel and Malgorzata Spangenberg
636 A Street SE

Dear Board of Zoning Adjustment:

We are the adjacent property owners to 636 A Street SE and reside at 638 A Street SE. Our neighbors Joel and Malgorzata Spangenberg are seeking special exceptions to the District of Columbia zoning laws to build a rear 2-story addition with a cellar and connect their existing carriage house to the house with a covered walkway.

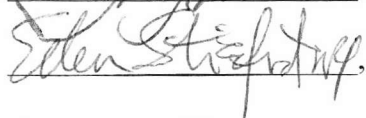

They have shared the drawings of the proposed addition and walkway that will be submitted with their application to the BZA. We have reviewed the drawings and fully support the proposed addition, which has been thoughtfully considered and designed.

We recommend that BZA grant the request for a special exception.

Sincerely,

Tony M. Lee, owner
