Dear Sirs:

I own the house at 643 "A" St. SE. that is roughly across the street from 636, so I am an interested person.

I have no objection to a 2-story addition to 636, nor to the walkway, provided that no part of the new construction is visible from "A" Street either from the sidewalk opposite, nor from the first floor or porch level opposite along the whole east half of the 600 block. I am assuming the proposed build-out will meet these conditions if it is only 2 stories high.

Yours sincerely -

Tain P. Tompkins

owner of 643 "A" St SE.
