Board of Zoning Adjustment

Government of the District of Columbia
Suite 210 South
441 4th Street, NW
Washington DC 20001

Re: BZA Zoning Application
Application of Joel and Malgorzata Spangenberg, 636 A Street SE

Dear Board of Zoning Adjustment:

The existing use of the property is single family dwelling. The proposal converts the property into a two family flat by creating an accessory apartment in the existing carriage house.

Sincerely,

Jennifer Fowler
