Mr Nero,

Mr Toye Bello joins me in requesting a delay in the BZA consideration of #18692, currently scheduled for January 14

It may smooth the presentation and passage of the zoning request before ANC 6A if extra time is available for a presentation to the local residents

Mr Bello, on behalf of the developer, will confirm his agreement to this request by phone tomorrow. I speak for ANC 6A as its Chair.

Mr. Holmes:

I will reach out to Mr. Nero tomorrow via phone I will draft a letter of request for continuance for submission on Monday, unless you want to write it under the aegis of the ANC, which carries more weight than my letter.

The project owner is glad to seek continuance in order to engage neighborhood concerns.

Mr. Bello,

I stopped by and spoke to Richard Nero today. He suggests you reach him tomorrow to join me in a request to move the hearing date back 4 or 5 weeks

Thank you for agreeing to do so
