

#### ADDITIONAL APPEAL AND OPPOSITION STATEMENT AND JUSTIFICATION

The Plaintiffs/Applicants/Appellants maintain that the permit approval (RW1300166) is a violation of the District of Columbia Comprehensive Plan, Map Designation (For Uses), and related laws, guidelines and regulations.

The Retaining Wall Permit for the construction of a Streetcar Garage was done without an Environmental Impact Statement or study, and without proper notice to the adversely affected 5B and 5D ANC Commission and Single Member District.
