Planning of construction of a one-family detached dwelling
Public Hearing on Tuesday, October 28. 2014

Washington, 10-22-2014

Dear Sir,

Concerning the hearing on Tuesday, October, 22nd, The German Embassy would like to inform you that, until now, the applicant, Mr. Amir Motlagh, has not informed the Embassy about his plans for a construction at the premises 4509 Foxhall Crescent Drive, NW, Washington. As a direct neighbor (above, premises at 1900 Foxhall Road) we would at least have expected to be notified.

At this address, owner of which is the Federal Republic of Germany, resides the Deputy Chief of the German Embassy. Construction work on 4509 Foxhall Crescents Drive will cause disturbance and could, in addition, raise security questions.

Please note that the Embassy would like to have this point mentioned in the public hearing. If possible I will attend next Tuesday. If you have any further questions please do not hesitate to contact me.

Sincerely,

Martin Pertsch
Third Secretary
German Embassy Washington
