Dear Mr Nero

We, Martha and Stuart Land (owners of 1816-24th Street, NW) have met with the design team for 1814-24th Street and reviewed BZA Application 18719 and the plans by Thomson & Cooke Architects amending plans originally dated 12-16-13 and subsequently updates Dated 03-19-14

We are in support of the updated proposed work which deletes the building extension and the Juliet balcony, thus making the rear wall of their new building align with our house, as per the updated 03-19-14 plan and relief request that has been submitted.

Thank you,

Martha Land
