SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum from the Zoning Administrator certifying the required relief.

The Board provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (“ANC”) 2D, and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 2D, which is automatically a party to this application. ANC 2D submitted a letter in support of the application. The Office of Planning (“OP”) submitted a report and testified at the hearing in support of the application. The Department of Transportation submitted a report not objecting to the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for a special exception under subsection 223. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 223, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes
