To whom it may concern:

Keegan Theatre is very near and dear to my heart. For more than 20 years Keegan Theatre has helped Mount Olivet United Methodist Church and it's youth program put on a fundraising play. These productions in which Keegan supplies the director, set design, sound and lights are the main fundraiser for the Youth Summer Missions. Over our 22 year partnership Keegan Theatre has helped the Mount Olivet Youth raise nearly \$400,000. That money has helped the youth build houses, wheelchair ramps, and decks, it has helped them change lives.

Keegan has done more than help the youth raise money though. They have taught the youth how to be confident and how to work together. They have instilled in the youth a passion for theatre and the arts. Our last production in February 2014 had a cast of 22 actors, only a handful of who participate in theatre at school. The ability to work with professionals is an amazing opportunity that the youth are privileged to have. They look forward to play time each year, and are already talking about what we are going to do next year.

As a youth, I benefitted in so many ways from the yearly experiences with Keegan. I grew in confidence, connected with my fellow actors and learned what it feels like to accomplish something great. As the Youth Director now, I see the youth growing in confidence and sharing their excitement with everyone. It is wonderful to see the relationship between Keegan and Mount Olivet continue to grow and wonderful to know that we have the support of such a wonderful theatre company.
