

**Testimony for BZA case #18722, Andrew Keegan Theatre Company
Sheri S. Herren, 2633 16th St. NW, Apt. 3B, Washington D.C.**

Dear Chairman Jordan and members of the Board,

I am one of the four co-founders of The Andrew Keegan Theatre Company. I moved into Washington D.C. three months ago to be closer to the theatre and my work there, although I still have a day job in Alexandria, VA. I was born in Washington D.C. and am happy to be back!

I would like to strongly encourage you to grant the Andrew Keegan Theatre Company's petition for a zoning variance.

As the current Company Manager at the theatre, I can tell you that we are thrilled to be here and take our responsibilities seriously when it comes to any hindrances to the neighbors. In fact, most of the neighbors of the theatre are now patrons of the Andrew Keegan Theatre Company!

Keegan has grown tremendously since its move to DuPont Circle and Church Street. Most performances are now sold out to local appreciative audiences. The neighbors have been kept apprised of all developments regarding the proposed renovation and expansion, which will help, not hinder any occasional noise due to audiences, and they seem very enthusiastic about the changes

I hope you will grant the theatre's application so this treasured neighborhood asset can continue and thrive. Thank you for your time and attention.

Sheri S. Herren

Co-founder and Company Manager, Andrew Keegan Theatre Company
