I writing to express my support for Andrew Keegan Theatre's request for a variance at 1742 Church Street NW I own a condominium in the Dupont Circle area and live just north of Church Street, where the venue is located

Since they have become a resident of the property, first as a tenant, and then as a owner (June 2013), Keegan has been nothing but an asset to the community and an excellent neighbor. Their presence and familiar, approachable staff have made the Church Street block more secure, they have conscientiously engaged neighbors and community groups in a positive way Their programming includes inviting student groups from local schools (Ross Elementary, Bell Multicultural and Stoddard) and many local organizations I cannot think of a better way to nurture our youth and make DC a better place to live

Sincerely,

Jeffrey Klein
