### **Reconsideration**

**Director Bardin I am just receiving the final order on this application 18731. We did not receive this notice of a hearing until after it was over our community would be in opposition . The owner is not complying with the zoning regulation as it stands now. The owner didn't come to one community meeting, nor did he request to be on our agenda to present his case to the community. I'm requesting reconsideration so the people can be heard in this democratic process, please.**
