Re: 2803 Dumbarton Street, NW, BZA Application No. 18739

Dear Chairperson Jordan and Members of the Board

Advisory Neighborhood Commission 2E, at a public meeting held on March 4, 2014, duly noticed, and at which five of the eight commissioners were present constituting a quorum, unanimously adopted the following resolution

ANC 2E has no objection to the application for special exception as presented. We are aware of no negative impact on the adjacent properties and no objections from the immediately affected neighbor. We are also pleased that significant efforts have been made to retain the historic fabric of the residence.

ANC 2E Commissioners Solomon, Lewis, Jones, Starrels, and Birch, or any one or more of them, are authorized to act for ANC 2E in this matter and any matters which may come before the Board relating thereto.

We appreciate the opportunity to bring this resolution to the attention of BZA and we trust that it will be given the "great weight" to which it is entitled under District of Columbia law.

Sincerely,

Ron Lewis
Chair, ANC 2E
