Request for Postponement of Hearing

Dear Members of the Board:

This is to confirm our conversation of this morning with Office of Zoning staff, wherein the Applicant requested a postponement of the hearing scheduled for May 13, 2014. Staff advised that the hearing will be continued until July 8, 2014. We will repost the property with notice for that hearing and will meet with OP, DDOT and the ANC. We will file new plans and amend the application to change the design of the building. We will also file a new self-certification form to reflect the relief that will be required resulting from the amendment to the application.

Thank you for your consideration in this matter. Let us know if you have any questions.

Sincerely,

Norman M. Glasgow, Jr.
