

To: Board Zoning Adjustment
From: Italo Rodriguez
Re: BZA Case # 18759

Good Day,

Please find this letter as request for postponement of the hearing scheduled for May 20, 2014. Over the last few months we have attempted unsuccessfully to contact our ANC representative to discuss our case. Unfortunately we have not been able to schedule conference and or obtain recommendation for our case. We understand ANC feedback weighs heavily on the Boards decision. After speaking with the ANC Chairperson we have been asked to request the Board for postponement of this hearing until the next hearing date so that feedback from the ANC Commission can be entered into record.

Please schedule our hearing for the next hearing date in June We will again make every possible effort to obtain ANC feedback before the hearing date

Sincerely,

Italo Rodriguez
