**Re: Your comments concerning construction of a**  
**house at each address listed above**

**Dear Sir/ Madame**

**I am the owner of 2 vacant lots located at the above addresses. I plan to build a house on each lot listed above. I am required by the Board of Zoning Adjustment to contact you to get your feed-back on the construction. The 2 houses will have no negative impact on the community. The houses will actually help improve the neighborhood by adding to the tax roll and removing unsightly vacant lots from the neighborhood. Please contact me if you have any concerns or comments. I have provided all my contact information in the heading of the letter.**
