

**David Haresign, FAIA
Bonstra Haresign Architects**

OUTLINE OF TESTIMONY

- I Introduction and Experience
- II Description and Location of Site
- III Description of the Proposed Project
 - A Site Constraints
 - B Design Considerations
 - C Floor Plans
 - D. Necessary Relief from the Zoning Regulations and Compliance with Standards
- IV. Conclusion

David T. Haresign, FAIA

Partner

Bonstra | Haresign ARCHITECTS

David Haresign, FAIA is a founder and partner in Bonstra | Haresign ARCHITECTS. Mr. Haresign is a specialist in large-scale, complex projects, leading project teams and organizations with conceptual clarity, meticulous detail and a commitment to design excellence, social responsibility and the profession. He implements diverse project typologies with challenging entitlements, large integrated teams, and tight fiscal constraints. Mr. Haresign engages the public through outreach and pro-bono activism, developing alliances and recruiting through leadership at The AIA and the academy, and exposing the results through awards, publication and presentations. His integrated project delivery achieves iconic design, technical innovation, restoration and re-purposing of old fabric that re-invigorates neighborhoods. Committed to smart growth planning and preservation, Mr. Haresign is a socially responsible architect charting a sustainable future. He promotes affordable housing as a basic right and cornerstone of smart growth - retaining less affluent residents in old neighborhoods and housing them in new ones. His outreach extends to boards of related professional organizations including an alumni advisory com-

mittee, a nationally recognized real estate development graduate program, and community organizations. His projects are widely recognized with over 90 national, regional and local design awards, and in international and national publications including Urban Land, residential architect, Inform, Architecture DC and the Washington Post. He mentors and inspires young architects with individual guidance. Mr. Haresign is a sought-after design critic, and a frequent lecturer and panelist on current architecture and practice at noted regional universities and public conferences. He is a registered architect, completed his architecture degree at the University of Virginia in 1976, and studied graduate planning. He serves the American Institute of Architects as the Washington, DC Chapter 2014 Immediate Past President, and co-chairs the AIA|DC Design Excellence Committee. He recently served as co-chair of the Host Chapter Committee and Design Leadership Committee Chair for the AIA 2012 National Convention and Design Exposition in Washington DC and was elevated to the College of Fellows, the AIA's highest honor. He is a member of the Cosmos Club in Washington DC.
