Dear Mr. Boyle,

This letter serves to memorialize our agreement to allow for the New Southern Rock Baptist Church to utilize the parking lot at our Kansas Avenue location on a continued basis to accommodate over flow parking for the church each Sunday. A code for the gate on Kansas Avenue will be provided to you and the trustees with the expectation that this gate be secured each Sunday after your services have ended.

Additionally, I am happy to consider requests for other special events or activities that may require additional parking at the church in the future. Please just contact me two days in advance of the request so that I can approve these special uses. You can reach me at rpohlman@elhaynes.org or 202-538-4903.

Thank you and your church for your continued support of our school. We look forward to finding more ways to partner with you and your congregation moving forward.

Sincerely,

Richard I. Pohlman
Chief of Operations and Policy
