Re Case No 18770 (Square 902, Lot 825) Request for an Extension

Dear Chairman Jordan

The applicant in the above-referenced case asks the Board to use its authority under Section 3100.5 of the Zoning Regulations to waive the requirements of Section 3113.8. The applicant asks that it be granted a one-day extension to file its pre-hearing statement. The applicant has been in discussions with the community regarding proposed conditions of approval and hopes to resolve those discussions after its presentation to the ANC's Planning and Zoning Committee this evening. It would like the benefit of incorporating any additional comments it hears from the community in its pre-hearing submission, accordingly, the applicant requests that it be permitted to file its pre-hearing statement 13 days prior to the hearing rather than the requisite 14 days.

Sincerely,

Allison C. Prince
