BZA Application No. 18781
Hearing Date: June 17, 2014

Certification of Amendment to Signage on Applicant's Property

Dear Mr. Nero:

This office represents Mana Bilingual Child Development LLC (Applicant) in its application to the Board of Zoning Adjustment (BZA) for a special exception to increase the number of children it may serve as a child care center. On June 3, 2014, the Applicant filed a request to amend its application to include a special exception under Section 2116.

This letter is written to certify that, on June 4, 2014, I attached new language to the required signage displayed on the Applicant's property, to notify the community of the amended subject matter of the hearing before the BZA. The subject matter paragraph now reads as follows, added matter underlined:

"Application of Mana Bilingual Child Development LLC, pursuant to 11 DCMR § 3104.1, for a special exception for a child development center (36 Children and 9 Staff) under section 205, in the R-1-B District at premises 6524 8th Street, N.W. (Square 2973, Lot 81) and for a special exception for two off-site parking spaces under section 2116."

If you have any questions, please feel free to contact me.

Yours,
