

**Request for Special Exception under DCMR 11-205
before the Board of Zoning Adjustment
Mana Bilingual Child Development, LLC
Form 120, Section 5-D, Statement of Existing and Intended Use of Structure**

Mana Bilingual currently uses the basement floor of 6524 8th St, NW, to serve 12 children at a home-based daycare. If the Board of Zoning Adjustment grants Mana Bilingual's request for a §205 Special Exception, childcare services will expand to all three floors of the house. The house will be converted into a childcare development center. Ms. Kimberly Handon-Lindsey, Office of State Superintendent of Education inspector, has estimated that the house has the capacity to serve 40 children. Mana Bilingual is seeking to expand its services to a total capacity of 36 children. Mana Bilingual has no plans to make structural changes inside or outside of the house.
