Subject: Case Number 18785

Hello,

I'm writing in reference to case number 18785, address 1326 Florida Ave NE--a building proposal by Ditto Residential. I'm writing in support of their plan to build an apartment building It will look great, improve the neighborhood, and increase surrounding property values Also, I have no concerns about a reduced number of parking spaces since many in the neighborhood utilize public transportation.

Thank you for your consideration

Sincerely,

Mark Donovan
