Subject: 11326 Florida Ave NE - Letters of Support & Ramp Slope

To Whom It May Concern,

Regarding the ramp slope or driveway for the property at 1326 Florida Ave NE, a complete set of plans were sent to all ANC 5D Commissioners prior to our June 10th monthly meeting. At no point have any of the Commissioners raised any issue regarding the slope of the driveway or ramp. I don't see this issue has any consequence for the constituents of 5D06.

Kind Regards,

Tina Laskaris
ANC Commissioner 5D06
